KINDERGARTEN

- Leawood offers a five day fee based full day program as well as a half day morning program. The fee for the full day program will be \$300 per month and will be due at the first of each month. Financial assistance is available if you qualify.
- You will first need to register online through Jeffco Connect *prior* to coming in to register. Please bring in a copy of your child's birth certificate, immunization records, and proof of residency (Xcel, phone, utility bill, etc.) to registration. All three documents *must* be turned in at the time of registration. If any items are not brought in, we cannot complete your registration. Children must be 5 years of age on or before October 1, 2017. Additional information regarding Jeffco Connect instructions and the registration process can be found on our Leawood home page at www.leawoodlions.us.
- We will host a Kindergarten parent information night on Thursday, January 19th from 6:30-8:00pm in the school library.
- We will have Kindergarten walk-in classroom observations on Friday, January 20th from 9:30-11:00am. Observations are for parents only. Because of limited space, we ask that you do not bring your student. Teachers will not be available at this time to conference with you, however, they do invite you to sit and observe their classes.

PRESCHOOL
