

New Students to Leawood Registration

Jefferson County Public Schools registration process is now online through *Jeffco Connect*. This link can be found below, and on our Leawood webpage under the tab labeled *School Links*. All new incoming students will need to do **ONE** of the following:

If you have a new kindergartner please note that the entrance age eligibility for Jefferson County Schools states: Children must be 5 years of age on or before October 1st of the incoming school year.

- If you have a student coming to Leawood and they have been in another Jefferson County Public School, a Jefferson County Public Schools Child Find or Pre-School, **do not** choose the yellow button “New to Jeffco Public Schools.” This would create a duplicate ID/ account for your child. Instead, please bring your documents to the school to complete your registration and we will find your child in the Jefferson County School Campus system.

OR

- If your student is the sibling of another student already in Jeffco Schools, simply login to your existing *Jeffco Connect* account with your user name and password. **You will click on the button “Add New Student”**. Do not choose the yellow button “New to Jeffco Public Schools”. This would create a duplicate user account for you. (If you don’t remember your user name or password, please contact the school and we will locate your account.)

OR

- If you do not have any other children in Jefferson County Public Schools and the child entering Leawood has never been in the Jeffco School system, choose “**New to Jeffco Public Schools?**” Follow the directions to set up your new account and complete the process to register your student.

Once you have completed the Jeffco Connect process, please make sure you hit the “Save” button. Your *digital signature* will ensure that your information is passed along to the school.

You will then need to provide us with the required documents: Birth certificate, immunization records, and proof of residency. (These documents **MUST** be brought to the school **AFTER** you have registered or your enrollment will be incomplete.)

Thank you.
